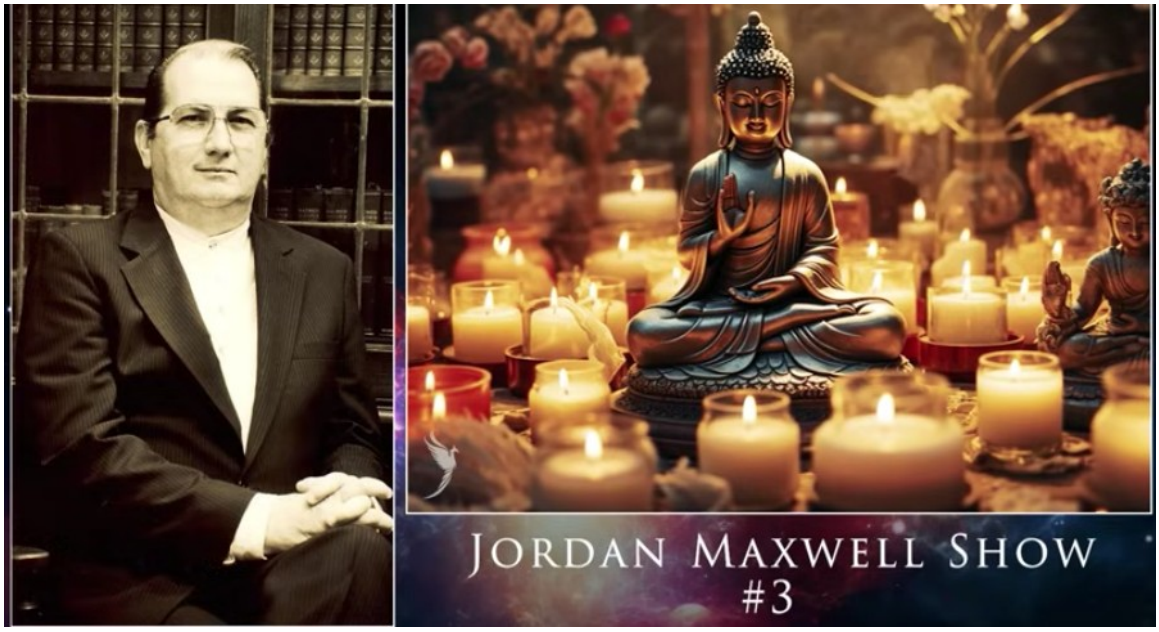
THE CHRISTIAN CHURCH HAS LIED TO US - FACTS YOU NEED TO KNOW ABOUT THE REAL ORIGIN OF JUDAISM



https://www.youtube.com/watch?v=FhsXS0VFGhk&t=18s

Christian scholars have been telling us today about all of the lies people have been taught by their churches. My calling seems to be to do the same using information from many different Christian Scholars. Today we will be hearing data

from Jordan Maxwell about the pagan symbolisms behind the JROCCC and the India origins of the Jewish religion and stories.

I will be quoting Jordan Maxwell below:

Religion’s hidden origins revealed!

Discover how Christianity, Judaism, and Islam stories trace back to ancient Hinduism stories that came from India ORIGINALLY. Was the fictional Abraham actually a Jewish version of Brahma? Is Jesus being symbolized as the Sun in pagan lore? Learn the shocking truth about the Star of David, Vatican secrets, and sun worship that will help us

discover the origins of the lies Christians have been taught. This mind-blowing video exposes how all-major religions borrowed their fictional stories from Hinduism, and why it's been hidden for centuries.

Jews of India

If you look at where AI is taking the Jesus story today, it is back to the story of Isa of India, which is a lie that the Serpent Bloodlines are promoting today. That story seems to be about the Talmud Immanuel, Jmmanuel, Emmanuel, the Jewish messiah instead. Be careful of AI do not trust what you read on AI. AI adds inaccurate date. You have to know what you're doing when you ask AI a question.

Almost all Middle East religions including Judaism go back to India including what we call the Jewish and Roman Orthodox Catholic and Christian Church's (JROCCC) ideologies.

William Tyndale: Life and Death of the Father of the English Bible - Topical Studies | Bible Study Tools

On October 6, 1536, William Tyndale was executed under the authority of the Holy Roman Empire—strangled and then burned at the stake—for violating the religious laws of the Roman Catholic Church by translating the Holy Scriptures into English

The JROCCC was created in Rome using primarily Jewish, pagan and satanic ideologies the founders twisted into Christian beliefs and then refused to let the people read their Roman Bibles in the beginning until Tyndale was murdered for CREATING and PRINTING THE ENGLISH VERSION OF THE BIBLE.

THE JEWS MANUFACTURED THEIR HISTORY

The Jewish, pagan, satanic stories all spun out of stories that came from India or Mesopotamia. They are all pagan religious beliefs with fictional histories of a people who worshipped aliens aka "the gods."

They include Islamic stories that came out of Babylon in Mesopotamia, which was an evil alien worshipping culture that survived the flood.

Mohammad never existed.

Abraham, Isaac and Jacob never existed.

The Star of David did not exist before 1890.

King David never existed.

Noah's arc is fiction.

Moses never existed. He was probably a spin off of Tut Moses. The religion of Tut Moses was alien moon god worship. The moon god was know as sin. The gods living on the Moon and in the Mountains were aliens who claimed to have come from the moon. We call them Nordic Aliens today. We refer to their Elohim Fallen Watcher leader as Satan who sinned against all mankind.

The stories in the Old Testament are simply stories they are not fact which is why archeologist can't seem to dig up these ancient sites.

Islamic religion existed long before Judaism.

Rome has dominated the world for 2300 using their pagan form of the Christian religion to hide their evil corrupt tyranny behind.

All roads lead to Rome and the Jesuits. Evil hides behind the Vatican. Which is why prophecy tells us the JROCCC will burn soon.

Iraq was one of the first settlements on earth after the last Pole Shift, Younger Dryas, Flood periods. They were survivors of a very evil alien worshipping society that survived the flood with the help of their Fallen Elohim Watchers, who are quoted in the beginning of Genesis as refurbishing the earth for them after it had been devastated during the Pole Shift Younger Dryas period.
